What is LINC?

Language Instruction for Newcomers to Canada is:

- A free **English Language** training program;
- A settlement program for **newcomers to Canada**.

Who is Eligible?

- Adult newcomers, 18 years & older;
- Landed Immigrants and Convention Refugees;
- Holders of appropriate Authorizations or Minister's Permits.

Please Remember:

- The date & time of your appointment;
- Bring your immigration document or Permanent Resident Card.

What is LINC Assessment?

Newcomers who wish to attend LINC classes first must have their English Language proficiency tested by a CLB-trained Assessor.

During the assessment, you will be asked to speak, to read and to write in English. This will give the Assessor the information she/he needs to determine your English language level. A LINC assessment takes about 2 hours to complete.

After the assessment, you will be given an Assessment report which will state your LINC level based on the Canadian Language Benchmarks (CLB). The Assessor will advise you of the different language training options available, and you will be referred to the program of your choice.

LINC Training

The LINC Program offers you two (2) ways to learn English:

- *In the Classroom*: Thunder Bay Multicultural Association LINC School offers full-time, part-time and evening classes.
- *At Home*: LINC Home Study lets you learn English in the comfort of your own home using a computer or books and CDs.
